Description

An absolutely stunning antique inlaid olive wood occasional side table. This was made in the middle East, likely Syria, it dates roughly from the 1880's period, or it could be earlier. It is of incredibly fine quality, with amazing inlaid patterns of various woods. There is a Moorish influence to the design, with beautifully carved arches under the base, this stands on nicely turned supports and legs. We have had this stripped and re-polished, it is in excellent condition for its age. Width – 22 inches , 55 cm Depth – 22 inches , 55 cm Height – 29 inches , 74 cm
