Description

This is a very good Kurdish runner dating from about 1890. The runner has a fabulous colour palette; the rich indigo field with columns of diamond medallions and flowering plants enclosed by colourful geometric borders flanked by carnation guard stripes. This a nicely drawn example which is in really good condition for the age. It has good selvedges, an even low pile and is in really nice clean condition, ready for use. The carpet is of generous proportions measuring a full 500 cms by 110 cms and would suit a larger hallway.
