This lovely carved oak french art deco washstand is offered in very good condition. The washstand has a carved oak bevelled mirror on a shaped carrera marble top. The base has two top drawers with two cupboard doors below. There is a mark on the marble that we have tried to remove but it either originally was there or something has been left on it and marked it, if you we're planning to put a sink in it or put something over the mark then it won't be seen again.
