Description

Just one of the best small 19thc oak staved and ash bound lidded flour barrels I have bought...it is just the right size to be used as a biscuit barrel, originally used for flour in the large country kitchen, it is in very good condition with all the staves still tight and it has gained a very good colour, that ash and oak go with lots of domestic use....no breaks or repairs. English. C1860-80.
