Description

An elegant pair of turned candlestick style table lamps dating from the early 20th Century. They are nicely proportioned with a lovely rich colour and have been rewired with bronzed bulb holders. They are in very good condition. They are in working order and have been PAT tested for safety. There are some minor signs of age and use and a small chip on one but nothing detrimental and they display well. Approximate Measurements : Height : 16" / 41cm Base Diameter : 5" / 13cm The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
