Description

A stunning original Art Deco walnut dining table and six chairs. They were made in England, they date from the 1930's and they are very well made. The twin pedestal dining table has canted corners, cross banded edges and gorgeous walnut grain patterns. The grain on the chairs is also beautiful, the chairs are sturdy and are extremely comfortable. We have had the table and chairs stripped and re-polished to a very high standard, the condition is superb throughout. The green vinyl seats on the chairs are original and are also in good condition, with only some very minor wear here and there.
