Description

This Pair of French Marquetry Bedsides are both extremely stylish and very useful. The Tulipwood veneer is inlaid with intricate floral marquetry. The elegant legs are of delightful flowing form, and the serpentine shaped fronts add further interest. With ormolu mounts to the front toes and delicate decorative handles, that work so well together. The oak lined dovetailed drawers offer good storage and are free running. Presented in fully restored condition, they would work so well as a pair of bedsides or indeed a pair of lamp tables. Circa 1920s Dimensions Width 17in/43cm Depth 12in/31cm Height 28in/72cm
