Description

The quality of the weave on this small rug is exceptional, just look at the picture of the backside, the knots are so small you can barely see them! What an incredible achievement and what an incredible little rug, with silky pile and rich colours of magenta and grass green, yellow and tan. It has undeniable charm and is being offered at a very reasonable rate, due to some old repairs that are slightly visible in the lower half of the field. The rug is clean and ready for your floor. 4'0" x 7'0"
