106 x 119cm Antique Shirvan Rug, the Caucasus

Price

Sold

Item Reference: SA1089499

Date of manufacture: 1880

Dimensions

Height = 119 cm (46.9")

Width = 106 cm (41.7")

Description

A very unusual little rug with a stunning border of polychrome diagonal stripes, I love it! Sadly worn around the edges and with a hole but still, this little gem of a rug has so much personality and vibrancy it deserves some attention. And for £500 it makes a tremendous display piece, livening up even the dullest of rooms! 3'6" x 3'11"
