Description

An absolutely beautiful antique French walnut dining table and eight chairs, dating from around the 1920's. The quality is superb, the table is a great size and is beautifully designed. The top has serpentine edges with beautiful carving around the edges and on the cabriole legs. The top has gorgeous figured walnut grain patterns and cross banded edges. The eight chairs are also beautifully designed with lovely shapes and crisp carving around the edges. There are six straight chairs and two carver armchairs. We have had the wood on the table and chairs re-polished, the chairs have been re-upholstered in a cream cotton fabric. The condition is superb for its age.
