Description

Huge, heavy 18th century Scottish provincial silver punch bowl ladle with 18th century Perth marks. The overall condition is pretty decent apart from the end of the handle has an old repair as it has obviously been broken at some point in its life, probably been stood on. The 18th century Perth mark is perfectly legible but the makers mark is obscured by the repair. Weighs in at almost 7oz. With the repair it has been priced accordingly. BARGAIN !!!! SIZE; 4" diameter bowl. 14" long CIRCA; 1780 - 1790
