Description

This Good Quality Continental Pair of Bedsides offer useful storage alongside stylish design. The striking quartered veneer on the tops, sides and drawer fronts make a bold statement. Standing on elegant slender legs that are adorned with ormolu mounts to both the toes and knees. The intricate design of the drawer handles adds further interest, and all the drawers are smooth running. The intricately detailed gallery is a lovely finishing touch to the tops, and a good indicator of the superior quality of these Bedsides. Presented in fully restored condition. Would not only make desirable bedsides, but would look particularly fine as lamp tables in other areas of the home. Circa 1930 Dimensions Width 19in/48cm Depth 12½in/32cm Height 31in/79cm
