Description

A smart and very well made antique Victorian walnut open bookcase. This was made in England, it dates from around the 1860-1880 period. This sits on a plinth base, with two adjustable shelves and lovely carved corbels beneath the top edge. The walnut grain patterns and colour tones are lovely throughout. This is in excellent condition for its age, we have had it re-polished. There is just some minor old wear here and there remaining beneath the polish.
