Description

Technical Description An 19th-century Toastmaster Wine Glass dating to c1860. A thick round funnel bowl, highly deceptive, above a plain stem and conical foot. We've had a few 18th and 19th century toastmaster glasses over the years and they are rare enough in their own right, however a large example like this, obviously a wine rather than a dram, is very unusual and a very fine example. Link below to a very nice selection of 18th and 19th century Toastmaster glasses which we have sold at Exhibit. Examples of 18th Century Toastmaster Glasses [Date & Origin](#) England, c1860. Period of Victoria Condition Excellent, age-related wear as shown. No chips cracks or restoration. Dimensions Height: 12cm Bowl Diameter: 6.6cm Foot diameter: 7cm.
