Description

An Italian school 17th Century oil on canvas after Giovanni Salvo Da Sassoferato (1609-1685). The painting depicts "La Sainte Famille" and is framed in an elaborately carved Italian giltwood frame with the artists name painted on the surround. When we found it, the painting was under glass which has protected it well for several years. For its age, the painting is in very good condition with no losses. We have had it very lightly cleaned and we are delighted with the results. It is a beautiful piece of 17th century art. The canvas itself measures 58cm X 48cm. The overall framed measurement are listed below. We can discuss delivery in UK mainland. Payment by bank transfer, PayPal or card via telephone.
