A fine and beautifully made antique Regency period inlaid mahogany side table. This was made in England, it dates from around the 1810-1820's. It is of superb quality and is a very useful size. The rectangular top has a brass inlaid border with cross banded edges, there is a single drawer at the front the rounded corners have grooves running down them. This is nicely finished on the back, so it can be used as a free standing item. It stands on a central column base with beautifully shaped legs and brass casters.
