## Description

Copper horticulture garden pressure sprayer - The Revolver. Original piston pump mechanism and pressure gauge. Made from Copper and brass, with a brass plate on the front stamped with French instructions. Industrial item with riveted construction and solid brass fittings. Brass plate also stamped 4 and 364, most likely representing size and serial number respectively. Makers name KONRAD PERRAULT, Paris. Tank mechanism and brass fittings beautifully polished, and superbly converted into a lamp with vintage effect bulb supplied. Circa 60 to 70 years old and modified for decorative and ascent light purposes as a lamp. Pump and gauge decorative only but adds to the overall character and authenticity of this stunning piece. Height = 50 cm Diameter = 16 cm

Internal Ref: D:00020
