Description

A good example of a Chinoiserie style table lamp dating from the early to mid 20th Century. It has been painted with an attractive chinoiserie design with gilded highlights on a black ground. It is made of wood with an elegant turned design on a round base. It has been rewired to modern standards to take a standard bayonet bulb and is in working order with a valid PAT test. The lamp is in good condition with some minor signs of age and wear and some small losses and wear to the paint in places but nothing detrimental. It is strong and sturdy and displays beautifully. Approximate Measurements : Height : 20" / 51cm Width at base: 7" / 18cm The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
