Description

A wonderful pair of antique mahogany side tables. They were made in England, they date from around the 1910-1920 period. The quality is excellent, they are extremely well made and are a very useful size. There are nicely shaped lower edges and a small gallery around the top. Each table has a handy lower tier, and they are very sturdy. We have recently had these re-polished, the condition is excellent for their age. The mahogany has acquired a gorgeous patina over the years, there is some minor old wear remaining beneath the polish here and there. Width - 24 inches , 61 cm Depth - 18 inches , 46 cm Height - 22 inches , 56 cm
