Description

A smart and extremely well made antique mahogany and leather sofa. This was made in England, it dates from around the 1920-30's. The quality is outstanding, this has a beautiful design with deep buttoned leather upholstery. The solid mahogany frame has sweeping curves and lovely carving, it sits on solid brass casters. We have had the wood stripped and re-polished, the leather has been revived and hand coloured to enhance the patina. The condition is excellent for its age, there is just some very minor old surface wear and patina remaining here and there on the leather.
