Description

A lovely stripped pine cupboard dating from the late 19th / early 20th Century with nice narrow proportions. The doors are panelled with turned knobs and it sits on a simple plinth base. It has a shelved interior which is painted in blue paint. It is in good condition and the pine has a nice warm colour. It has been cleaned and has a smooth waxed finish, retaining its lovely aged patina. The interior is generally clean and tidy. There are some signs of age and use, some marks here and there and some old repairs but nothing detrimental. It displays very nicely and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
