## Description

A superb pair of antique Regency period mahogany side chairs. They were made in England, they date from around the 1815-1830 period. The quality is outstanding, they are beautifully made in the typical regency style. They have Trafalgar shaped backs, sit on sabre shaped legs and they have gorgeous brass details throughout. They are a great size to be used as occasional side chairs or as dining chairs. We have had them re-polished, the mahogany has a gorgeous patina and colour tone. The drop in seats have been re-upholstered in a cream cotton fabric, the condition is excellent for their age.
