Description

A beautiful Swiss solid silver quaich cup or two handled bowl. It is hallmarked with 835 standard mark along with the Swiss maker being Jezler. I would date it to c1920s. It has been superbly designed having hard wood handles and is in superb condition having no dings splits or repairs. It measures approx. 6.5 inches (16.5cm) across including the handles and 4.75 inches (11.8cm) excluding them by 1.5 inches (4cm) tall and weighs 110 grams. A stunning example.
