Description

A beautifully made and very impressive antique burr walnut chest on chest of drawers. This was made in England, it dates from around the 1930's. The quality is superb, this has absolutely gorgeous burr walnut grain patterns, and it contains lots of storage space in the many drawers. It sits on cabriole legs with shell carving at the knees, there is also a pull out brushing slide that comes out from the centre. The top also has a lovely burr walnut finish with cross banded edges. We have recently had this re-polished, the condition is excellent for its age. Width – 30 inches , 76 cm Depth – 17 inches , 44 cm Height – 59 inches , 150 cm
