Description

A charming and extremely well made antique Edwardian inlaid mahogany nest of four tables. This was made in England, it dates from the 1900-1910 period. The quality is fantastic, this is extremely well made from solid mahogany, inlaid with satin wood banding on all edges. The four tables nest smoothly under one another, this is a useful and compact size. We have had this re-polished, the condition is excellent for its age. There is some minor wear remaining beneath the polish, overall this has a gorgeous patina and colour tone. Width – 16 inches , 41 cm Depth – 13 inches , 32 cm Height – 24 inches , 61 cm
