Description

This is an incredible example of a gents wristwatch made by the world renowned premier Swiss maker Omega. The watch is the Seamaster Jumbo Chronostop with rotating roulette wheel 24hr Bezel model reference 145.008. The movement is the calibre 865 manual wind which you can see it is in fabulous original condition. It has just been professionally serviced and is running to original Omega specification and all chronostop functions work correctly. Everything about this watch is totally original, the only things we have replaced are the glass and mainspring. The dial is in superb condition, it has not been retouched or restored in any way and is the best original example we have ever seen. The original lume is still intact. The case has only been ultrasonically cleaned not polished so it is in exceptional original condition. It comes with its original 1117 bracelet that is still factory full length with all its links and will fit a wrist size upto 8 inches. As you would expect the watch is fully marked on the dial, movement and case. A superb collector piece. The watch case measures 41mm in diameter not including the crown or pushers. The watch has been fully serv...
