Dimensions

Height = 35.5 cm (14.0")

Width = 22.5 cm (8.9")

Depth = 18.5 cm (7.3")

Description

An outstanding and extremely rare pair of Scandinavian blacksmith-made wrought iron candle holders, c.1800. Each expertly crafted candle holder has four holders held aloft upon flattened spear like arms, the whole above a square stem and four flared feet with a central spike to the base. The patination to both holders is exceptional throughout. A single candle holder such as these is rare; an identical pair is very scarce indeed. Dimensions:- Height: 35.5cm Weight: 22.5cm Depth: 18.5cm DELIVERY UK Mainland: FREE International Delivery: Please contact us for a shipping quote.
