Description

A lovely matching sugar bowl and milk jug decorated in a swirling classical style repoussé pattern. Both pieces are stylish and good quality with angular handles and a ribbed rim. Each piece is hallmarked for Chester, 1897 and the maker George Nathan & Ridley Hayes and they weigh approximately 214g. They are in good condition for their age. There are some faint surface marks and a few minor dinks but nothing detrimental. There has been a small repair in the base of the milk jug but they both still display well. They have been gently cleaned and polished and are ready for use.
