Description

A very lovely Edwardian walking cane with the silver handle formed as the head of a greyhound. It has glass eyes and is hallmarked for London 1904. The cane shaft is in very good condition with no scuffs and has no movement when weight is applied. It culminates with the original brass ferrule. Overall a beautiful collector's piece but one that is sturdy and good for purpose. We can deliver free of charge in UK mainland. Payment by bank transfer, PayPal or card via telephone
