Description

Antique Waltham pocket watch, 1930. The watch has a seven jewel stem-winding movement, Traveler grade, which is working well. The movement is fully signed and it has the serial number 27,134,980 which dates it back to 1930. The movement is protected by an inner cover with light surface scratches. The watch measures 50mm diameter excluding the winding stem and the loop. The case is the 10ct gold filled Moon model made by the Dennison Watch Case Company, main supplier of cases to Waltham UK. It is in nice condition with just general light surface marks. The glass lens has very light surface marking. The signed dial is in nice condition with original blued steel hands, a subsidiary seconds dial and outer minute track. The watch comes in a new presentation box.
