Description

1920s Swiss full hunter pocket watch. The watch has a nice quality 15 jewel Swiss stem-winding movement which is working well. The movement is protected by an inner hinged cover. The watch measures 50mm diameter excluding the winding stem and the loop. The case is gold plated and is the Star model made by the Dennison Watch Case Company. Dennisons was an English case maker, the company supplied cases for various watch manufacturers. The case has light surface marking and light wear to the edge of the bottom of the covers but overall it is in nice condition for a 1920s piece. The winding crown pushes in to open the front cover. Inside, there is a glass lens which is in nice condition. The double sunk dial is in nice condition. Blued steel hands, a subsidiary seconds dial and an outer minute track. The watch comes in a new presentation box.
