Description

A large and impressive antique mahogany chest of drawers. This was made in England, it dates from around the 1900-1910 period. It is of superb quality, this sits on bracket feet, has canted front edges and a grooved edge to the solid mahogany top. The generous drawers have beautifully intricate brass handles and fine, handcut dovetailed joints. The mahogany has acquired a gorgeous patina and colour tone over the years. We have had this re-polished, it is in excellent condition with some minor signs of old wear beneath the polish here and there. Width – 29 inches , 74 cm Depth – 19 inches , 49 cm Height – 49 inches , 124 cm
