Description

Royal House Antiques is delighted to offer for sale this absolutely stunning, Exhibition Museum quality, hand carved Walnut double sided partner desk circa 1860 and made with original 17th century Religious carved panels. Please note the delivery fee listed is just a guide, it covers within the M25 only for the UK and local Europe only for international, if you would like an accurate quote please send me your postcode and I'll provide you with the exact price. A truly stunning and well made piece, this would have been made for an exhibition to show off the cabinet makers skill, it is an 1860 - 1880 Walnut partner desk, it has two cupboards and three drawers each side so two "partners" can share it, the top is a deep oxblood with gold tooling, it is one of the finest hides I have ever seen and is beautifully aged. The 17th century panels are nothing short of works of art, had they not been built in to this desk they would have sold for around £3000-£4000 per panel, they are sublime and belong in a gallery, the cabinet maker has taken time to apply the panels to the inside knee hole space, this really was a no expensive spared commission. This really is a piece of art fu...
