Description

This cupboard is in good condition. We have professionally stripped and restored it ready to wax or paint. We can wax this in a lovely antique brown bri wax please email or telephone for a quote if you are interested. The cupboard would look well in an old or modern property amongst similar antique pine furniture for storage. This would look great in a cottage with low ceilings. It would also look great on a landing as a linen cupboard or in a kitchen or utility. The cupboard stands on square back legs and georgian splayed front feet supporting the main section. There is one large tall door. The door has two beautifully arched panels with a lovely moulding around the edges. There is a key that locks the door. Behind the door there are shelves for storage. The shelves are not fixed. The top has a standard graduated cornice that is arched to the centre. There are fluted columns and carved corbels to the sides. The height is 177cm, the width is 100cm and the depth is 47cm.
