Description

This antique 19th-century French Breton sideboard, crafted from chestnut, is a remarkable example of high-quality craftsmanship and intricate artistry. The sideboard is adorned with breathtaking carvings that showcase various sceneries, demonstrating exceptional attention to detail and skilful workmanship. The rich, warm grain and vibrant colour of the chestnut wood enhance its classic and elegant appeal. The piece is designed for practicality and ease of transport, disassembling into three separate sections. The upper cupboard features two fixed shelves, providing ample storage space for essentials. The lower cupboard is equipped with one fixed shelf, offering additional storage options. In the centre, two drawers with their original metal handles add both function and vintage charm. In great condition, this sideboard combines timeless beauty with robust construction, making it a stunning focal point in any room. It also comes with keys, adding to its authenticity and value. Whether used for storage or as a striking decorative piece, this sideboard is sure to capture attention and elevate the elegance of any space.
