Description

A lovely set of sugar tongs and 6 matching silver Teaspoons contained in their original fitted case. They are a good quality set with nicely shaped handles and decorative scallop shaped details. The total weight of silver is approximately 84g and every piece is individually hallmarked for London, 1918 and the makers Josiah Williams & Co. Every piece is in very good condition. There are some minor signs of age and use and a few faint surface marks but nothing detrimental. They have been lightly cleaned and polished and are ready for use. The box is good quality with a silk lining and fitted velvet base. There are some minor marks inside the box and the outer of the case is not without some signs of age and minor knocks and scuffs around the edges but overall it displays well. Approximate Measurements: Spoon Length : 4" (10cm) Box : 8" (20cm) x 5 1/2" (14cm) The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
