Description

A nice example of an ornate pierced bonbon dish raised on four shaped feet. It is stylish and good quality, weighing approximately 85g. It is clearly hallmarked for Spurrier & Co, Birmingham, 1897. It is in very good condition for its age. There are no major damages. There are some faint surface marks and minor signs of age and use but nothing detrimental. It has been gently cleaned and polished and displays beautifully. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
