Description

Antique Omega pocket watch, super condition. The watch has a stem-winding movement which is working nicely. The movement is fully signed and it has the serial number 5,504,843 which dates it back to 1916. The movement is protected by an inner hinged cover. The watch measures 51mm diameter excluding the winding stem and the loop. The case is the gold plated Star model from the English case maker Dennisons, one of the suppliers of cases to Omega. The case is in lovely condition. The glass lens is in lovely condition. The signed dial is in super condition with blued steel hands, a subsidiary seconds dial and outer minute markers. The watch comes in a new presentation box.
