Description

This stunning piece was purchased from a draper's shop that has sadly closed its doors. Dating back to the 1930s, this elegant item remains in great original condition, a testament to the care provided by its previous owner. Adorned with its original black bronzed handles and featuring three flip doors that smoothly glide back to reveal six drawers per section, this piece offers ample storage space. Additionally, the bottom boasts a generously sized shaker-style front drawer.
