Description

A beautiful and impressive antique Sheraton style inlaid mahogany open bookcase. This was made in England, it dates from around the 1930's. It is very well made and of superb quality. The mahogany has a lovely colour tone and patina, there is stunning satin wood inlay around the top and front edges. There are ten adjustable shelves offering lots of storage space. This is very tall and a good width, while also not very deep, so doesn't jut out too far into the room. We have had this recently re-polished, it is in excellent condition for its age. The cornice and base come off and the main section splits into two, so this breaks down into four pieces for ease of transport. Width - 55 inches , 140 cm Depth - 12 inches , 31 cm Height - 87 inches , 221 cm
