Description

A fine example of an ornate solid silver twin handled cup with two scrolling handles in the form of mythical men with large horns. There is a border of vines and grapes around the top edge and it stands on a pierced round floral foot. It is stylish and good quality with a gilt interior and weighs approximately 192g. It is clearly hallmarked for London, 1904 and the maker Wakely & Wheeler. It is in very good condition for its age. There are signs of age and use and a few minor surface marks but no major damages and it displays well. It has been gently cleaned and polished and is ready for use. Approximate Measurements: Height : 4" (10cm) Width inc Handles : 5" (13cm) Depth : 3 1/2" (9cm) The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
