Description

A very rare Victorian antique silver bull. Made in Edinburgh around 1850. It is hallmarked but with no date letter or makers mark. The style of the bull dates it to around 1850. It is beautifully cast and realistically hand finished. The lack of horns may point to it being a Holstein breed. It is in excellent condition with only minimal rubbing on the high points. WEIGHT; 442 grams or 15 ozst approx. Free delivery in the UK. Payment by bank transfer, card over the phone, PayPal or Klarna. Using Klarna payments can be split over three months
