Description

A pair of late 19th or early 20th century French directors style armchairs. These chairs are incredible quality with stunning brass banding, inlay and decoration. It's not possible to stress too much the quality of these chairs! They are upholstered in a beautiful petrol blue/grey cut velvet fabric. There is the odd faint sign of wear to the fabric which I'm sure could be steam cleaned if it really bothered you. Seat height 50cm
