Description

A lovely Georgian (1714-1837) cross pendant in solid silver set with high rose-cut rock crystals, four of them pear shaped and radiating out from a central round crystal in a collet style mount. There is also a brooch fitting. The piece is in very good antique condition; some of the foil behind the crystals has eroded, giving them a silvery-grey colour. Size: The cross measures approximately 2.8 x 3.2cm, not including the bail. Weight: 4.5g. We currently have a number of lovely Georgian pieces just in (see final photo) which are being added to the shop, see our other listings for more details :)
