Description

An exceptional, fine and impressive antique George III Newcastle sterling silver coffee pot; an addition to our Georgian silverware collection. This exceptional antique George III Newcastle sterling silver coffee pot has a plain baluster form to a circular pedestal foot, in the highly desirable classic English form. The body of this antique coffee pot is plain and unembellished, with a plain moulded border to the upper rim. This impressive example of antique teaware is fitted with a domed hinged cover surmounted with a silver acorn style finial. This large sterling silver coffee pot is fitted with the original opposing scroll style carved pear wood handle with scrolling thumbpiece and fitted to cast sterling silver sockets. The coffee pot has an impressive cast silver spout ornamented with fluted and scroll decoration. This antique coffee pot is a large and exceptional example for its type. This exceptional example of Georgian silverware was crafted by the renowned Newcastle silversmiths John Langlands I & John Robertson I. Condition This antique silver Georgian coffee pot is an exceptional gauge of silver, exceptional quality and in exceptional condition. The inte...
