Description

A good looking mahogany 3 part desk. It is a lovely colour and superb quality. The 9 drawers are all mahogany lined and beautifully clean. The leather is worn and faded but completely intact and adds to the look of the piece. The top is slightly faded, but again, we have decided not to do anything because it gives the desk character, and we are very happy with the look of it. It is raised on casters. The back of the desk is fine so it could be used with the back showing (see photo). It has brass knob handles.
