## Description

A stunning, fine and impressive antique 5.17 carat garnet, 3.10 carat peridot and 0.49 carat diamond, 15 carat yellow gold and silver set bracelet; part of our collection of antique bracelets. This stunning antique bracelet has been crafted in 15ct yellow gold with silver settings. The anterior portion of the bracelet is embellished with a stunning claw set 5.17ct cushion cut garnet, flanked with two individually claw set peridots, totalling 3.10ct. The feature gemstones alternate with incurved shaped silver settings, each ornamented with three Old European round cut diamonds in a combination of pavé and claw set; the central diamond is claw set in relief. The setting conjoins an interlacing trellis style linked bracelet, articulating via pale links and securing with a discreet push fit clasp to the reverse. This stunning and substantial bracelet has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as 15 carat gold and silver. This impressive gold and garnet bracelet is supplied with an IDGL diamond and gemstone grading report card. This peridot and garnet bracelet in gold is fitted to a fine and impressive, original leather strap.
