Description

A complete set of antique brass weights dating from the early to mid 20th Century. There are a total of 12 graduated cylindrical brass weights ranging from 500g to 1g. The weights are contained within the original wooden box with fitted interior and metal closing latches. The whole set is in good original condition. The box has picked up some light marks and knocks but no major damages. The brass has tarnished in places but overall the set displays very well. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £10
