Description

An outstanding antique burr walnut console side table, made in England and dating from the 1890-1900 period. This is of superb quality, with a gorgeous patina and colour tone. The burr walnut grain patterns are beautiful, this has cross banded edges, high quality brass tear drop handles and fine, hand cut dovetailed joints. It stands on cabriole legs with crisp shell carving at the knees. We have had this re-polished to a very high standard, the condition is excellent.
