Description

English Regency Antique Swag Fire Guard A lovely model of an English early 19th century antique wire work fire guard that dates to around 1820. In very good condition, all the wire work is complete and it has decorative wire swags underneath the original brass top rail. This antique fire guard also stands on a moulded brass rail and is complete with the original tin ash pan base and with brass fire tool holders to each side. Dimensions Height: 76cm (30.16") Width: 107cm (42.46") Depth: 29cm (11.51")
